## EDITOR'S LETTER

**So have you all made resolutions you sticking to religiously so far this year? I struggled for ages to try and think of one, working my way through all the usual suspects – get some regular exercise, try and eat healthily, try not to fall asleep after the long lunches etc, but I've already tried and failed so many times in the past with those ones I thought I ought to go for something a bit more realistic. So in the end I decided to try and surround myself with loads of horny women this year. So far so good, I'm delighted to say – wish me luck for the rest of the year!**

## TOP OF THE SWAPS

**Dear *Mayfair*,**
My wife and I are in our early 40s and like to buy *Mayfair* magazine and read it together. We've also been active swingers for the last few years, and we thought it would be a kick to write and tell you how Steph and I first had sex with other people, as it's a story that always gives me a thrill, even now – and to see it in print would be amazing!

At the time, I was working in the South West, and we had just moved to Somerset. We'd not made a great many friends, so we started to go out in Bristol with colleagues from work, particularly a couple called Jeff and Julie who were a few years older than us.

Jeff and Julie were always up for a night on the tiles, and flirted with all and sundry to the point of indecency. They would dare each other to chat people up in bars, but always go home together. Steph and I just watched, at first, but when Jeff bet Steph she couldn't chat a guy up quicker than Julie, Steph rose to the bait – and won the bet.

> “JULIE RAN HER TONGUE OVER THE LENGTH OF MY COCK, WHICH THROBBED AT THE TOUCH.”

We carried on like this for quite a while, before Jeff and Julie plucked up the courage to ask what they'd been thinking about for a while. They picked a night when we were all a little drunk and, as we relaxed back at their place, Julie asked Steph if we had ever thought about wife-swapping.

Julie then went on to confess that she and Jeff had gone to a wife-swapping party a few months before. She told us just what they'd got up to, and from the way that Steph was squirming in her seat, I could tell that all this talk of sex was getting her frisky. Jeff obviously noticed this too, because he came and sat next to us on the sofa and said, “We won't be offended if you aren't up for it but, well, we were wondering if you fancied giving it a go?”

Steph looked over to me, and I shrugged. Julie was definitely sexy, and I have to admit I'd fantasised about fucking her, but I didn't want to appear too eager.

“I think it might be fun to give it a go…” Steph said tentatively, and when I told her it sounded fine to me, she turned away and immediately started to snog Jeff.

I put my drink down, left to the two of them on the sofa and went over to where Julie was sitting. Julie was a curvy brunette with full breasts and as cute as a button. I was going to enjoy this. She was wearing a pair of jeans and a tight T-shirt. I stood in front of her, expecting her to get up so that we could kiss, but she didn't waste any time with that. Seeing the bulge beginning to grow in my trousers, Julie sat on the edge of the chair and undid the front of my trousers, pulling down my trousers and pants so that my cock sprang out in front of her face.

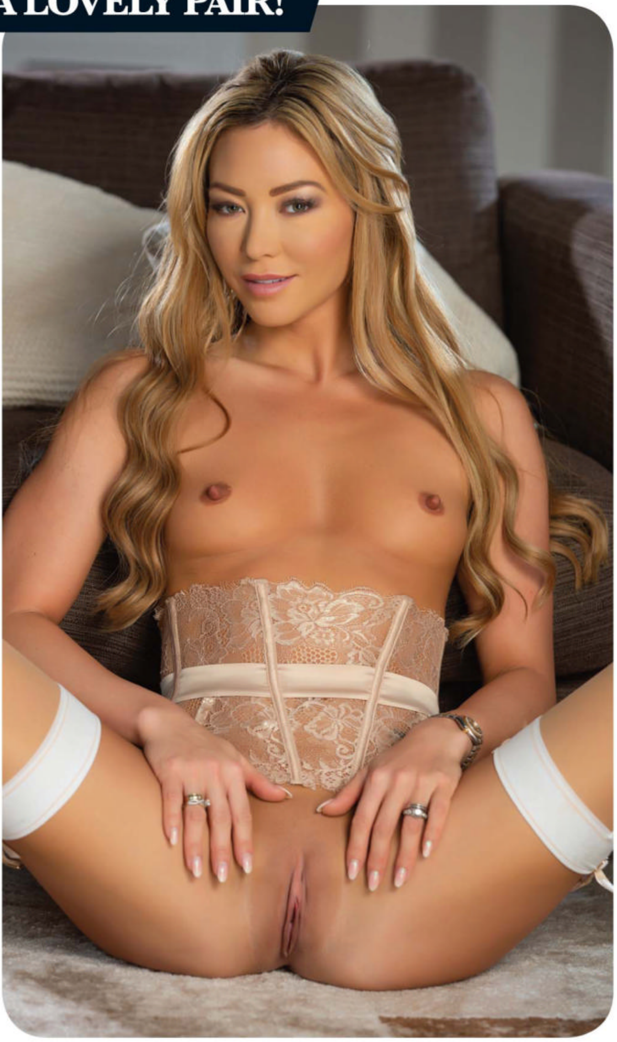
Julie grabbed my legs, pulling me towards her and ran her tongue lightly over the length of my cock,

## HOLEY KNIGHT!

**Dear *Mayfair*,**
What an unexpected treat to see one of my fave *Mayfair* girls making a rare reappearance in your pages last issue. I'm talking, of course, about Sophia Knight, who looks just as hot as ever I remember here. Those final two pictures of her on page 13 took my breath away – especially the top one which showcased her beautiful pussy and arse so magnificently! I read somewhere that she's married to professional porn stud Danny D, buy let me tell you, if I had Sophia to share my bed I'd never want to bed anyone else for the rest of my life!

Thanks for giving us another cracking year's worth of *Mayfair* girls, and I can't wait to see what treats you've got lined up for us in 2020!
**Jack, Salford.**

## A LOVELY PAIR!



**Dear *Mayfair*,**

Well, as another year draws to a close I felt I ought to drop you a line to pay tribute to two of your regular girls who've warmed the cockles of my heart (not to mention stirred my loins!) more times than I can possibly count – Natalia Forrest and Danni Maye, both of whom featured so gloriously in 54.11! I know these girls represent very different ends of the curvy spectrum, but they're both top notch as far as I'm concerned, and it was a great way to round off the year in their company. Please give them both my very special regards, and if either of them ever find themselves at a loose end in Winchester, tell them to give me a shout!

**Ollie, Winchester.**

which throbbed at the touch. Then, her hands still behind my legs, Julie started to give me quick licks all over my cock and balls, one minute flicking my foreskin with the tip of her tongue, the next dragging the flat over the underside of my shaft.

A few minutes of this and my cock was stiff as a board. I reached out to pull her head onto my cock, but she stopped me, saying, "No way, Stuart, It's much more fun if you let me do this. Just stand there and take it like a man." She laughed wickedly and finally slid her mouth over the head of my cock. A couple of slobbery wet sucks on my cock was all I got before she flopped back in the chair and said, "Right, your turn now," lifting up her legs and pulling her jeans off, revealing a bright red thong covering a very wet fanny.

I looked across to see Steph writhing around of the sofa with Jeff's face buried between her legs, then dropped to my knees and buried my face in her warm, wet snatch. Almost straight away, Julie started to grind her pussy against my face and when I closed my lips around her clit and sucked it I felt the tremor rock through her.

Standing up again, I pulled my shirt off, stepped out of my pants and trousers, and slid my cock straight into her juicy snatch. She was more than wet enough to take me, and I braced myself against the arms of the chair, pumping in and out of her with long deep strokes as she looked me in the eyes and whispered for me to fuck her hard.

I could hear Steph's familiar whimpering as, presumably, Jeff was giving her a good shafting on the other side of the room, and this just spurred me on to greater efforts with Julie. I really gave it some welly as I pounded in and out of her hot, wet fanny. Her arms were wrapped around me, and I could feel her nails digging into the flesh on my back each time I thrust my prick inside her.

There was no way that I was going to be able to hold on for any record length of time. After a few minutes I felt my nuts begin to tighten, and I told Julie that I was about to come.

"Come over my tits – it's a lot sexier," she said, and so I pulled my cock out of her and, rising to my feet, started to wank myself off in front of her. Her hands slipped down to her clit and she frigged herself as I tugged my dick, which was already slick with her juices.

When I came, I came hard, angry spurts of thick, creamy come spattering her tits and stomach. She lifted one hand, scooped up some come on the end of a finger, and greedily licked it clean. Even Steph had never acted this sluttish, and I always

Hey, that's a pretty groovy retro seat you've got there, Georgie! It's a proper throwback to the 60s, but what's a modern girl like you doing with it?

"Oh, it's a design classic, isn't it? It's not especially practical, but I've always wanted one like this and a guy I, umm, 'know', bought me one as a present recently. We tried to get a bit frisky in it, but we were a bit worried about the fitting in the ceiling once we both got in, so in the end I just put on a show for him in it – much like I'm doing now for you, in fact!"

Well, that investment certainly paid dividends for your unnamed fella – and it hasn't worked out too badly for us, either!

thought that we had a fairly intense sex life.

We got together with Jeff and Julie a few more times after that amazing evening, and they took us to our first few swapping parties. We're now veterans of the scene and we both agree that it's done nothing but good for our sex lives. All we really need now is a new, younger couple to initiate in the same way that we were!

Stuart, Rotherham.

## COAT IN THE ACT

**Dear *Mayfair,***

After a lot of effort chatting up anything in a skirt at a party I'd ended up at the other week but without so much as a peck on the cheek for my efforts, by midnight I'd had enough. I was going home, solo, for a wank! Firstly, I needed to retrieve my coat from the upstairs bedroom and having finally located the correct door I entered the room to be greeted by a sensational sight. In the dim light I could make out two female shapes, still clothed, but writhing about amongst the coats on the bed. They were so into each other they didn't notice me in the doorway and I took great delight in watching them kiss and caress one other.

This horny sight caused a stirring in my pants and never one to look a gift horse in the mouth I decided to chance my arm. With a confidence that belied my nerves I said in a firm voice, "Excuse me girls, but I think you're on my coat!"

My voice startled them and they turned towards me as I moved nearer the bed.

"You don't have to stop," I added while pretending to look for my coat, "I'll be out of your way in a minute."

Using the light from the landing I could see that both girls were in their early twenties, one was blonde, the other brunette, and both were extremely attractive. They'd stopped kissing now and were whispering and giggling.

> SHE KNELT ON THE BED, SPREAD HER KNEES AND ORDERED ME TO FUCK HER FROM BEHIND. I EAGERLY OBLIGED.

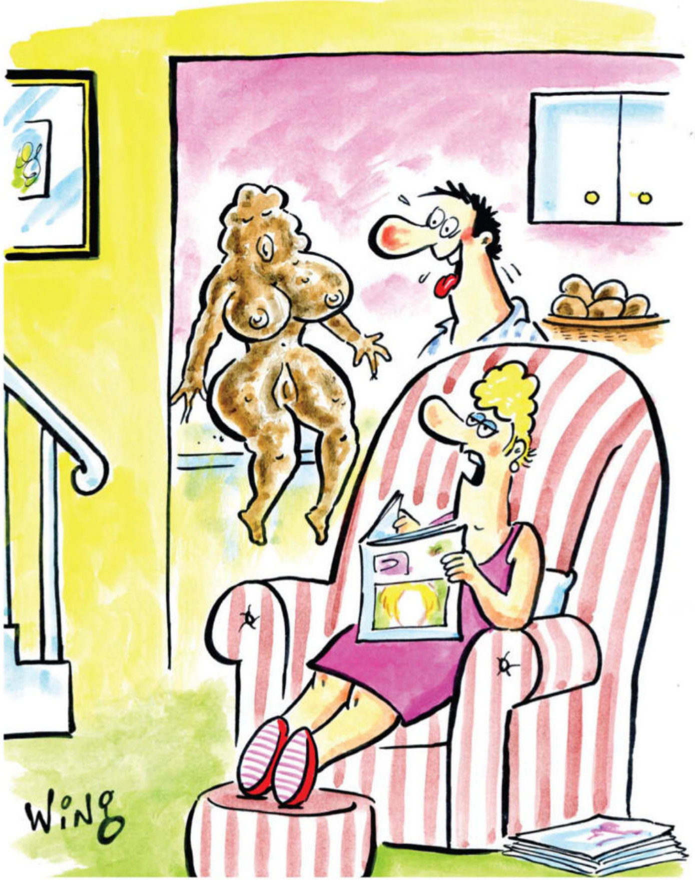
I was still rummaging for my coat when the brunette interrupted, "Get your cock out!"

Not daring to believe my good fortune I answered with, "Excuse me?'"

"You heard her," the blonde said, "Get your cock out."

I hadn't even moved before the brunette was off the bed and onto her knees undoing my trousers. Her mate quickly joined her and helped pull my trousers and boxers down to display my rapidly rising member. I leaned over to the bedside lamp and clicked it on – this I had to see!

◀ Continued from page 5



"Calm down Eric! Alright, you've grown a rude-shaped potato... so what?!"

The brunette began to lick the tip of my knob while the blonde ran her tongue up and down the shaft. In no time my cock was rock hard as the two of them tongued each other with my rampant rod between their filthy mouths. Taking it in turns to suck my knob they each pulled off the other's top and bra.

As the brunette stood up and kissed me and I groped her ample chest her mate continued to suck on my stiffy. Then she turned her attention to her friend's skirt, undoing it and letting it fall to the floor revealing a sexy black G-string. She looked fantastically dirty stood there naked but for her skimpy knickers and black stilettos. I sucked on her nipples as the blonde took turns in sucking my cock and eating her mate's pussy. I was in ecstasy thinking what a lucky bastard I was when things got even better.

The brunette took charge. She knelt on the bed, spread her knees and ordered me to fuck her from behind. I eagerly obliged and slotted my thick length into her soaking twat. I fucked her slowly at first, then faster until I was soon pistoning in and out of her tight cunny.

The blonde had now stripped naked and eager to join in she lay on the bed in front of the brunette, spread her legs wide and pushed her fanny towards the brunette's willing mouth. The blonde moaned with pleasure as she had her pussy well and truly eaten.

After much fucking and sucking the brunette once again took charge and told the blonde to get on her hands and knees. She then told me to give the blonde the same hard fucking she'd just had. I'd never been so keen to follow orders and was soon deep in the blonde's juicy minge.

The brunette lay down in front of the blonde and opened her legs to display a plump, shaven pussy. The blonde needed no invitation and as I pounded her from the rear she got her face stuck into the brunette's fanny. The noise inside the room was incredible as both girls had their pussies pleasured and they were soon on the brink of orgasm. I could sense the blonde was close by her breathing and the way she was furiously tonguing and fingering her mate. A few seconds later both girls reached a shattering orgasm, the brunette thrusting her pussy into the blonde's face who, in turn, was pushing back hard onto my swollen meat.

How I'd lasted this long I don't know but I was now fit to burst and told them so. That was the cue for them to start blowing me again. The sight of these two sluts was incredible as one gobbled the shaft and the other licked my balls.

I could sense the rumble deep inside me and shouted that I was coming. They positioned themselves in front of me with their mouths wide open and tongues outstretched and with an almighty surge I began to spurt jets of hot spunk all over the blonde first and then the brunette.

I'd never shot so much in my life and it splashed all over their tongues and into their gaping mouths. Eventually I'd shot the lot and they began kissing, my cock between their mouths and their tongues exchanging spunky, saliva.

We'd just got our clothes back on when another partygoer came in looking for his girlfriend! I used the opportunity to make a sharp exit and walked home that night with a spring in my step that one can only get from a fantastic threesome!

Who wouldn't like to while away one of these long winter evenings with a nice mug of hot drink and a busty beauty like Jade here? Mind you, in the light of recent news stories about the staggering amount of sugar in hot drinks these days, we hope those marshmallows on the top are just an occasional treat rather than a regular thing!

"I'm afraid not!" she admits. "I've got a real sweet tooth, although I do try and make up for my soft spot for sugar in other ways!"

Oh yes, so lots of flossing and brushing then?

"Hmm? Ah yes, that too!"

## AMAZON **KINDLE OASIS 2019**

EDITORS PICK

Chapter One

There's no overstating the importance of books in human history, and we're not just talking about the mucky ones that reside on the top shelves. How would we know what Caesar got up to, or the conquest of the new world, if people hadn't written books about it? Well in recent years books have started to see their domination crumble as the eReader muscled in on the market, meaning women could read out and out filth on the train without any of their fellow commuters having a scooby what they were up to! Still, while eReaders might make reading erotica in public acceptable, there's not much they can do about turning utter pap into top notch literature – but they can make the reading experience itself as good as possible, and that's where this new iteration of the Kindle Oasis comes in. As you can probably guess from the price, the Oasis is a cut or three above your typical Kindle device, and straight out of the box it's easy to see how – it's got a snazzy aluminium body that sets it apart from its more plasticky poor relation, and its asymmetrical design makes it a lot more satisfying to hold (left or right handed – the screen can be rotated by 180º, or even just 90º if you want to read landscape). The 7" screen itself provides a beautifully crisp reading experience incredibly like an old fashioned paper book only better, really, with the obvious choice of fonts styles and sizes for those whose eyesight isn't all it once was – and don't go blaming us for that because the medical science is quite clear on that topic. As well as having an auto-brightness setting, the one really nifty trick the 2019 model has over its predecessor is the way that it subtly changes the warmth of the light as daytime gives way to night, making the read warmer and with less of those pesky blue tones that can make getting to sleep after a read so problematic. Alternatively, with that function disabled, you can manually set the tone to be a bit yellowy and off white, much more like an authentic book would be. There's a headphone socket to let you play audiobooks, and it holds its charge well. The 32GB version lets you store enough books to keep you going for yonks, and it's waterproof to 2 metres, so you can even drop it in the bath or use it without fear while sprawled on a lilo, if you so desire.

**PRICE: £230-260**

## IROBOT **ROOMBA I7+**

Remember what the future used to look like on programmes like The Jetsons? That's right – we'd all have robots to do the household chores for us, but those robots for the most part looked like silver humans with menacing smiles and were prone to going wrong and causing chaos. Well, it turns out the robotic vacuum cleaner of the future looks very unlike a silvery human and more like a massive ice hockey puck, which trundles around on the floor doing the hoovering while you put your feet up. OK, so these things have been around for a while now, but the Roomba i7+ really raises the bar a notch or three over previous incarnations of the lazy hoover. First things first, though – it does a more than adequate job of actually sucking up the dust and stuff that it needs to, thanks to its redesigned rollers and a grooved design underneath, but where it really scores over other models is the fact that you don't need to keep on emptying it all the time, because it automatically 'uploads' the dust to its own plugging in dock. It can do this an average of 30 times before the dock bag is full, at which point your app will tell you that it needs emptying! So that's a full month's worth of the little bugger keeping your house spick and span between a bit of effort from you. Moreover the smart technology means you can tell it to get on with its job while you're out, just be telling it what to do vocally. It's also – and this is really clever – capable of 'remembering' 10 different rooms, so it can hoover them in the most efficient way and knows where to go if you just want it to do the living room, say. On the down side, well, it's bloody pricey and the dustbags aren't cheap either, but on the plus side it's unlikely to go mad and try and kill you.

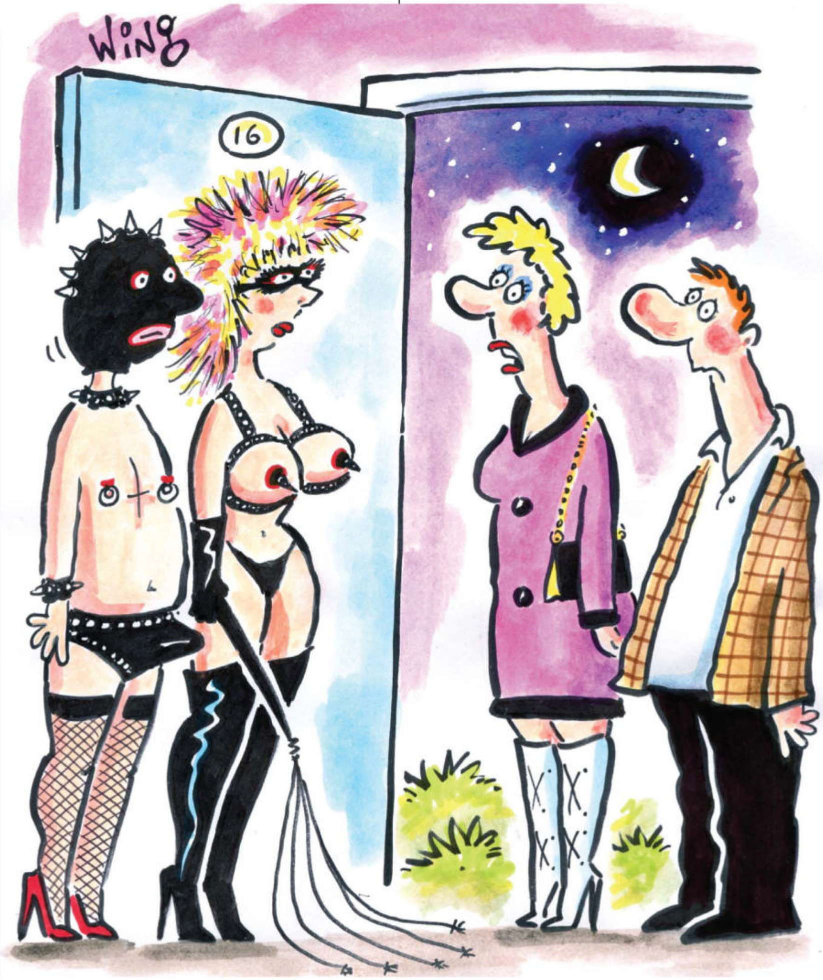
A boss walks into a crowded office and announces that he's lost his wallet with £500 in it, and offers a £100 finders fee.

"I'll make it £200!" pipes a voice from the back of the room.



"We take it you're giving bingo a miss tonight?"

**A young couple have just got married, but being really short of cash they have to spend their first night together at the guy's parents' house. The next morning the kindly mum gets up and cooks breakfast to celebrate the newlyweds' nuptials. Everyone comes down except for the couple. It is too embarrassing to go and knock for them and everyone eventually eats without them. The mum is puzzled and says, "I wonder why they didn't come down to eat?"**

**The groom's younger brother starts to answer, but the mum thinks he's going to say something inappropriate, so shuts the nine-year-old up before he has a chance to say anything.**

**Lunch time comes around and again, mum lays on a fantastic spread. The newlyweds fail to make it down once more. After everyone else has eaten, the puzzled mother again asks no-one in particular why the young couple failed to appear. The younger brother starts to open his mouth but is quickly hushed up.**

**Exactly the same thing happens at dinner time, but when the little boy tries to chime in by starting with "I think...", the mother finally snaps. Crossly she asks him "Alright then, what exactly is it that you think?".**

**"I think that when my brother came down to get some Vaseline last night he must have picked up my model aeroplane glue by mistake," says the boy.**

A husband and wife are having a relaxing weekend break in a hotel. They share a romantic evening dinner then slip off to bed. The man nuzzles into his wife, then whispers in her ear, "Hey gorgeous. I'm not ready for sleep yet, you beautiful thing."

The wife gets the hint and says, "OK, darling, but I have to use the bathroom."

As she heads for the bathroom the wife trips over a piece of loose carpet and lands flat on her back. The husband leaps out of bed in a flash and comforts his wife. "God, are you all right my darling?"

Fortunately she's fine and within a couple of minutes the couple are happily shagging like rabbits.

After a couple of hours of hot sex is over the wife decides she needs to go to the bathroom again. On her way she trips over the loose carpet again. "You clumsy bitch," growls the husband.

**Lizzy was shocked when her gynaecologist told her that she had the biggest hole he'd ever seen. As soon as she got home she took the mirror from the bedroom wall and laid it on the floor. Then she stripped off and stood over the mirror. Just when her husband came into the room unexpectedly.**

**"What the hell are you doing?" he said.**

**"I'm doing a new exercise," Lizzy lied, too embarrassed to tell him.**

**"Well that's really nice sweetheart," her husband mumbled. "Just be careful you don't slip and fall through that massive hole in the floor while you're doing it."**

* * *

A guy is in a hotel lobby asking for something at reception. As he turns away from the desk he accidentally sticks his elbow into a woman's tits. He is very apologetic and says "If your heart is as soft as your titties I'm sure you'll be able to forgive me."

The lady grins wickedly at him and says, "And if your cock is as hard as your elbow I'm in room 116."

It's not every girl who selects their modelling name based on a famous president, but unless we're very much mistaken, that's exactly what Kennedy here has done…

"Yes, you've got me bang to rights there – I studied modern history and I was always a fan of JFK, so when I was trying to think of a good name to model under, it seemed like the obvious choice!"

Fair enough. Maybe the trend will catch on after you? Although we can't imagine Roosevelt or Eisenhower having quite the same effect, somehow…

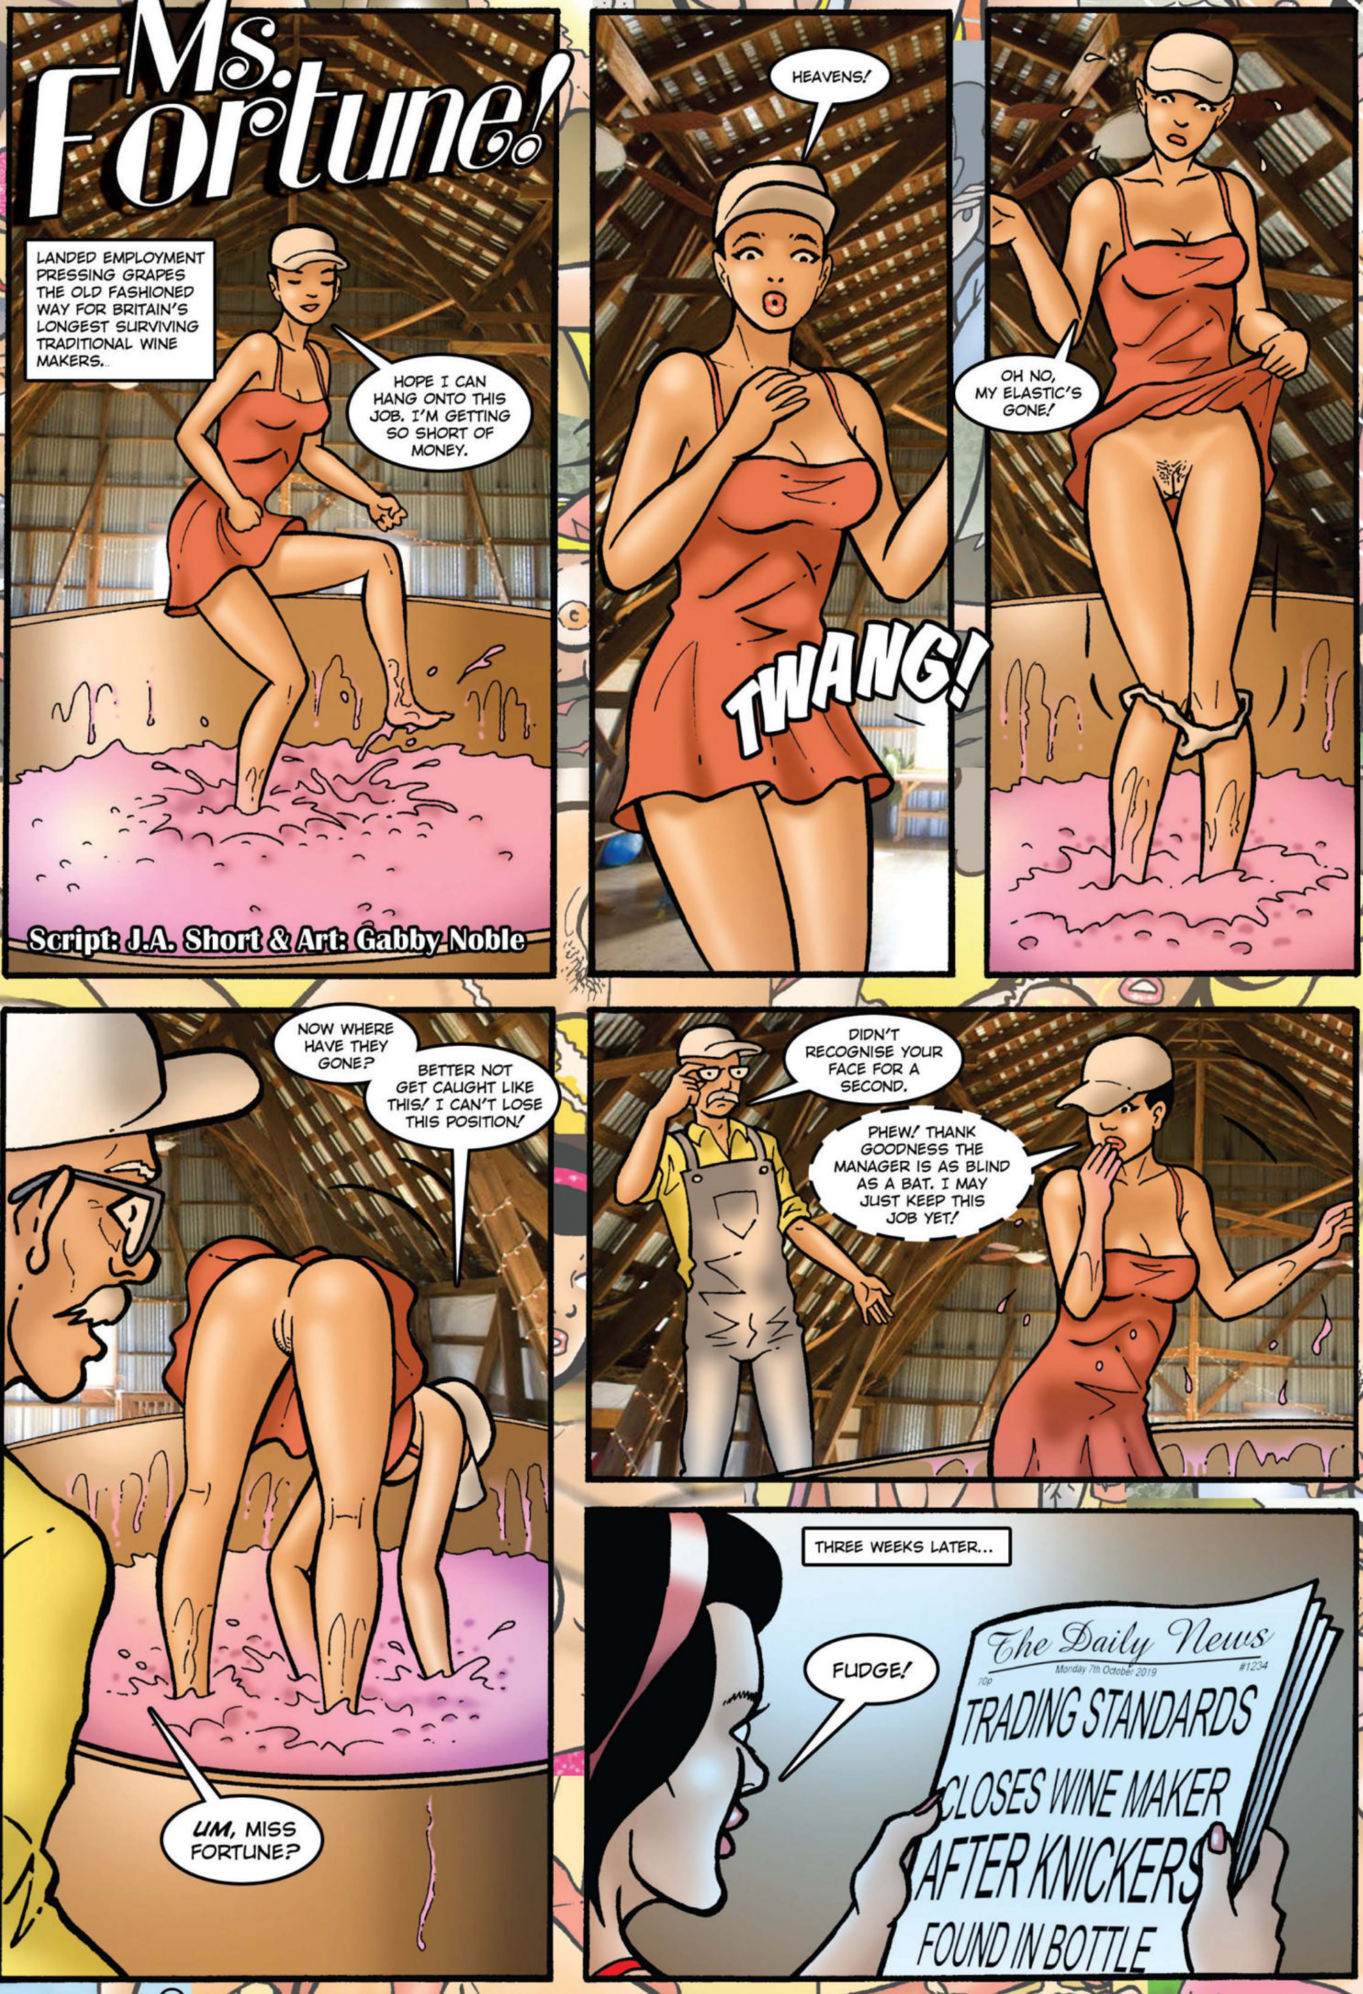
# Ms. Fortune!



Landed employment pressing grapes the old fashioned way for Britain's longest surviving traditional wine makers..
Hope I can hang onto this job. I'm getting so short of money.
Heavens!
TWANG!
Oh no, my elastic's gone!
Now where have they gone?
Better not get caught like this! I can't lose this position!
Um, Miss Fortune?
Didn't recognise your face for a second.
Phew! Thank goodness the manager is as blind as a bat. I may just keep this job yet!

Now you may well be thinking that Mayfair debutante Grace Lily looks more than a little familiar, and there's a very good reason for that – she's the twin sister of Rosa, who debuted for us back in 54.08! So that makes this something of a red letter day for us and no mistake. We couldn't have imagined that, when we were shooting Rosa and asked as a joke if there were any more at home like her, she'd have such a magnificent answer!

"Ha, yeah! Rosa came back from that shoot really buzzing, and I was so intrigued by it all I thought I'd give it a go myself! So far so good, I'd say."

And so say all of us, too!

# SCENEfromMAYFAIR

Two glimpses back into the golden age of Hollywood cinema… and a glimpse forward to an altogether more horrifying prospect!

## THE AFRICAN QUEEN

Humphrey Bogart and Katharine Hepburn directed by John Huston – it doesn't get much more top table Hollywood than that, so it's little wonder that when the three talents combined for this 1951 offering the result proved to be especially memorable. Set (and, famously, also filmed) in darkest Africa, the film sees Hepburn playing Rose, the pious sister of a missionary (Robert Morley) whose life is thrown into turmoil by the onset of WWI and the destruction of the mission. The only way out is with boozy, rough and ready boatman Charlie Allnut (Bogart) aboard his no-frills river steamer. Initially the pair have little in common, but as their journey takes them down river the relationship blossoms as they resolve on a daring course of action to help the British war effort. Beautifully restored in glorious Technicolour and with loads of bonus material, this release from Eureka is the perfect way to watch two screen greats at the top of their game (Bogart bagged his only Oscar for the film) in a much-loved classic.

## 8 DAYS

Apocalypses are all the rage these days, aren't they? Perhaps it's just humanity's way of preparing themselves for climate change or something, but if it isn't zombies it's threats from outer space, and that's the set-up in this German series that recently aired on Sky Atlantic. A massive meteorite is detected and it's on course to crash slap bang into the middle of Europe, wiping practically the whole region out – and there's no Bruce Willis to save them! So that's it then – the end of the world is looming, which naturally brings about a total breakdown in normal social values as the consequences of anything don't really matter any longer. But people just running around breaking the law wouldn't be much of a drama, and this tense series focuses on a few individuals and their approach to the impending doom. Classy stuff that's sure to have you gripped.

THE WORLD IS ENDING. WHAT WILL YOU DO?

## FULLER AT FOX

List of the great Hollywood directors and the chances are Samuel Fox won't be one of the names that trips off your tongue – but that's not to say he wasn't a great at what he did, which was helm some of the great B-movies during the course of his 60 year career. Fuller had his real golden run when he was under contract to Twentieth Century Fox in the 50s, when he directed some real stand-out genre movies, starting with *Fixed Bayonets*, 1951's masterful Korean War actioner. He followed that by working his way through the genres, with a cold war thriller (*Pickup on South Street*), a submarine drama (*Hell and High Water*), a finely crafted noir (*House of Bamboo*) and a tense western (*Forty Guns*). And all five films have been restored and packaged together in this glorious boxset from Eureka, complete with a collectors' book and tons of extras.

# KAYLA

**Age:** 28 **Vital Stats:** 34C-25-35 5’4”
**Photographer:** BBM

Well here's a sight for sore eyes! Kayla Louise went down a treat when she appeared in *Mayfair*, but we haven't seen much of her for ages – by our records the last time she crossed our path was back in 51.12, which is three whole years ago! So Kayla, what on Earth's been going on?!

"Oh, you know, sometimes life gets in the way. I've been doing some studying and a few other bits and bobs, but just recently I started to feel the lure of the lens again, and once I'd got the thought in my head there was only one way to deal with it – so here I am!"

We're very glad to see it – let's not leave it so long next time, eh?

And here we are cramming one final debutante into the mag this issue, and what a continental treat she is, to be sure, having hailed originally from France before settling down in London a few years ago. We couldn't help wondering what things she missed most from home…

"Well, my family, of course, but not too much else, really. There are so many great restaurants in town that are just as good as the ones in France, and I can always get a croissant and a coffee for breakfast when I want one!"

OK, so what do you like more about your new home?

"The men all think you're sexy, just because you're French!"

Oh, we're sure French guys must have twigged that as well!

## 2019 WINNERS

PRP
PAUL RAYMOND
AWARDS 2019

**In our industry, we like to let things go off with a bang! So as the champers flowed, and the cabaret showed, the 7th annual Paul Raymond Awards kicked off true to form, in a frenzy of nipple tassels and scantily clad women. Would we really do it any other way?**

Steering the ship through the siren and booze-filled waters this year, were our hosts, **AdultWorks.com**'s very own Mr Mark Hassell, and the truly amazing, award winning, entrepreneurial Hannah Brooks (**Hannahbrooks.com**) stunning a maximum capacity Café de Paris, in London's West End on the 7th November.

Shortly after the photos of Mark's sex tapes revealed on the screens, which we are still scarred from, there were some hefty looking awards given out, with Linsey Dawn Mckenzie winning Men Only Girl of the Year and Paul Raymond Girl of the Year, well done LDM to add to her gongs from years gone past!

So, who else got you chaps frantically tossing off votes left, right and centre?

Well, Dannii Harwood got her hands on the Mayfair crown, while Lucy Zara took up the Club mantle. Tindra Frost & Satine Spark were also a victorious Duo on the night and Lacey Starr walked away with the MILF of the Year Award.

Once all of the event excitment settled down, the real partying started with Tinchy Stryder, Kelly Le Roc, and DJ Ironik on the mic and class acts from the beautiful Lydia Lucy and the Chocolate Men rounding the show off. (and making all the men feel inadequate). The result was the best and biggest Awards show ever!!!!

Big thank you to our event partner **AdultWork.com** for their continued support, for which this event would not have happened without them.

# QUEST...

## Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

It all started when I convinced my boyfriend Matt that we should go to a sex club in London. He didn't need much convincing because we are both quite kinky, but before then we'd kept our kinkiness to ourselves.

After a year of living together we had experimented with just about every sex game a couple could indulge in, which is why I suggested we spend a night in the company of other sex adventurers in a club. And let me tell you, it was truly eye opening. To see so many people, from all walks of life, all shapes and sizes, indulging in every sex act imaginable and all under one roof was incredible. We spent most of that night down in a couples room, shagging like mad surrounded by other couples doing exactly the same.

But there was something that held me back. I don't know what it was but, even though we had both fantasised about having a threesome and there were plenty of willing people around us to choose from, something stopped me from reaching out to touch. It was only after we'd got home and slept on it (well, shagged like rabbits till the sun came up and then collapsed into sleep!) that I felt foolish for keeping my hands, and my pussy, to myself. It was then that I decided it was time to move this fantasy into reality.

"Let's have a threesome," I whispered to him that evening in bed, cuddling up behind him and toying with his cock. He played at being shocked at my suggestion but I could sense he was a little nervous of the idea.

"I don't really want to rub cocks with another bloke," he said.

"Don't be silly! I don't want to watch you and another guy," I said, forgetting to mention that I did want to fuck him and another guy, "I want to watch you and another girl."

He relaxed then and I thought for a second I could feel his dick get that little bit harder. I wanked him off, whispering in his ear what I wanted to see him doing and what I wanted to do myself.

The next evening, while Matt was out, I trawled a few swinging sites on the net and wondered how one goes about inviting strange women round to have sex with you and your man.

It took almost a month before I found someone. The problem is that although there are plenty of people looking for action, many of them were couples looking for swapping. There were lots of girls looking for fun, but I'm a bit fussy and I knew Matt would be far happier to see a babe sucking his cock.

Her name was Jennifer. The picture she emailed of herself, lounging on a sofa, legs apart, her thighs wet with pussy juice, her eyes lusting into the camera, made me feel certain I had found the one.

**Name:** **BETH**
**Age:** **26**
**From:** **WOKING**

I explained that Matt and I were both complete novices to swinging though we were very highly sexed and not easy to shock. Jennifer said that she would be delighted to help us break our swinging cherries, adding that she looked forward to eating me out and making me come.

But the one thing I didn't do was tell Matt. He knew I'd been trying to sort something out and had searched online with me, but he knew nothing about Jennifer, nor seen any pictures, and I wanted to surprise him.

I told Matt that I'd booked a restaurant for eight o'clock on Saturday night and told Jennifer to be round ours for seven. By half six Matt was all ready to go, but I lingered upstairs, pretending to put on make up when really I was so excited I thought I'd give something away if I waited downstairs with him.

> "I WAS CLOSE TO HOLDING ONTO HER HEAD AND FUCKING HER HARD WITH MY CLIT."

When the doorbell rang I was down the stairs quick as a flash, calling out that I'd get it, wanting Matt to wait in the front room. Jennifer was wrapped up against the cold but under her coat she looked almost naked in a tight red dress that made it clear she wasn't wearing a bra or any knickers. It was so tight I could tell she didn't have any pubes either.

We kissed and she giggled a hello as I ushered her into the front room. Matt looked totally confused. Here was this beautiful young woman, flaunting it all right

in front of him, and he had no idea who or what was she was.

It didn't take long for the penny to drop; I opened a bottle of wine in the kitchen and heard Jennifer ask Matt if this was his first time.

"Jennifer's going to help us lose our virginity," I said as I came back into the room and sat down between them on the sofa.

I had no idea what to do but I didn't want to wait around any more, I had been thinking about this all day and was wet hours before Jenny was due. Jennifer rested her hand on my thigh and looked at me, toying with my hair and laughing softly. It seemed like the only right thing to do was kiss her. Our mouths opened together and I felt a rush of lust as our tongues met.

Jennifer's hand slid my dress up my thigh and found its way to naked skin and I opened my legs, eager to feel her touch. After what seemed an age we stopped kissing and Jennifer told me I was beautiful. "Can I help you out of that dress?" she asked, her fingers softly stroking me through my panties. We stood up and I turned so she should unzip me, smiling down wickedly at Matt, loving the bulge in his trousers and the look on his face.

Jennifer unclasped my bra and came close, peeling down my knickers, her breasts brushing up against my back. My panties fell to the floor and Jennifer's hand began to caress my clit, toying with it as she nuzzled my neck. I turned around and she slipped the straps of her own dress over her shoulders, peeling of her only item of clothing, her eyes fixed on mine.

"Now, since this is your first time, why don't you tell me what you'd like to do?" she said. I was speechless. There were so many things I wanted to do, I just didn't know where to start.

**"SHE FELT HIM UP, LAYING HER PALM FLAT ON HIS MEAT AND RUNNING UP AND DOWN, SQUEEZING HIM THROUGH HIS CLOTHES."**

"How about you sit back down on the sofa here and let me eat you out," Jennifer said, guiding me back down. I sat back and opened my legs as Jennifer knelt between my thighs and began to tongue my wetness. I was so horny by then that my lips had parted. I was this close to holding onto her head and fucking her hard with my clit, but we had only just begun and I knew there was no need to rush things.

As Jennifer tongued at my hole, slipping her tongue inside and sucking on my clit, I took her hand and placed it on the hard bulge in Matt's trousers. She felt him up, laying her palm flat on his meat and running it up and down, squeezing him though his clothes. I had visions of the two of us cumming all over her face together within minutes. To try and cool myself down I turned my attention to Matt. Reaching over, I undid his fly and he stood, letting his trousers fall and clawing his way out of his shirt. Seconds later he was naked and gleefully watching Jennifer lapping at my cooze.

I gently pushed her off me, my mind doing somersaults at the things this girl could do to my pussy, and knelt down with her on the floor.

"Oh, this is gonna be fun," she said, looking at Matt's seven, thick, inches. I knew what Matt was into, I'd watched enough porn with him to know, and I took hold of his dick and began to wank him into Jennifer's face. Jennifer opened her mouth and let

me ease his cock in and out of her while she fondled his balls.

Matt sighed deeply, clearly enjoying himself, and I let Jennifer take over, watching as she took him all the way into her mouth again and again. I slipped in behind her and began to play with her breasts. I had never touched another woman in this way before and it was amazing, to feel another's nipples harden between my fingers, to feel her breasts, young and pert and so perfect. My hands slid down and back around as I caressed her thighs and buttocks. When I felt her hot, wet, bald pussy in my hands I could see why men get so into fingering us. My fingers entered her easily and my thumb found her clit right away.

> **"I SAT BACK AND OPENED MY LEGS AND JENNIFER KNELT BETWEEN MY TIGHTS AND BEGAN TO TONGUE MY WETNESS."**

Pulling Matt's cock from her mouth, Jennifer said, "I can tell you two want to come, and don't worry, be my guest. We've got all night."

"Eat me out and finger me." I said, climbing back onto the sofa. Jennifer smiled and did just that and Matt was more than happy to fuck her doggy style, watching me come all over her face. I remember that moment so well and get so wet thinking about it that right now I've got one hand inside my panties and two fingers inside me. Matt started slowly, easing himself in and pulling out, thrusting his fingers inside her each time. Jennifer had two fingers up my pussy and she was twisting and turning them, playing with all of my cunt. Her tongue was exploring my clit, hungrily bringing me to climax.

By then I was carefree and pulling her face down hard onto me as I bucked my cunt into her mouth and onto her fingers. I watched as Matt began to thrust in and out of her harder and harder, his hands pulling her buttocks apart and back onto him and then suddenly he pulled out and cried out loud as his semen shot forth and showered over the two of us. When I felt his jizz hit my tits I came so hard I yelped, squealing at Jennifer, telling her to "Fuck my fucking pussy!"

It was incredible. I couldn't believe I had never done this before, and as I lay there watching Jennifer lick my boyfriend's spunk from my breasts and stomach, I couldn't believe it was only twenty past eight in the evening…

It's funny how the past comes back to haunt you, or in my case, the past comes back to fuck your brains out. Let me explain, when I was a teenager, my first serious boyfriend was a guy I went to college with, Carl. I lost my virginity to him; the usual embarrassing fumblings followed by his premature ejaculation and my reassurances, then, after a few more fucks, he left me. It was probably because I told him I was in love with him and often babbled on about all that stuff that scares the hell out of boys and men.

> "I WATCHED AS MATT BEGAN TO THRUST INTO HER HARDER AND HARDER, PULLING HER BUTTOCKS APART…"

Anyway, the point is that he was a lousy lover, with no interest in foreplay aside from a quick suck on my nipples and a bit of fingering to make sure I was wet enough for him to fuck me – and to think I still loved him!

**Name:** VICKY
**Age:** 35
**From:** BOXMOOR

That was a few years ago but even then I still carried a bit of a torch for him – he was my first love after all! Then one day, completely out of the blue, I ran into him again outside my parents' house. I rang the doorbell and as I did a voice came from behind me asking, "Which way is it to Hemel Hempstead?"

I turned round ready to answer and was struck dumb by the sight of Carl, leaning

out of the window of his car, grinning wildly at me. “Hello Vicky,” he said. “Long time no see.”

“Carl! My God! I haven’t seen you in ages, how are you?” I squawked, suddenly back in that teenage world.

“I’m good, I’m good – much better for seeing you, it has to be said,” he replied. To cut a long story short after a few drinks together in the local I found myself in the passenger seat of his car heading off towards the common. I raised my skirt up enough for him to feast his eyes on the bare flesh of my thigh just above my black hold-up tights. Clearly, he was enjoying the view; his dick tented up in his trousers. I reached over and grabbed it.

“How does your cock taste these days, Carl?” I smiled at him and he undid his trousers.

“Not too sure love, why don’t you find out?” I undid my seatbelt and bent forward to take him into my mouth. His cock was hot in my hands and salty on my tongue, his pre-come had begun to leak out of his tip and I licked it all up and his dick twitched every time I dragged my tongue across its top.

When the car stopped I sat back upright to see that we were in the car park on the common. Sucking on Carl’s cock had made me very wet and I could feel my pussy sliding against the damp crotch of my silky knickers.

“C’mon,” he said, climbing out of the car, “let’s go for a walk.”

We walked holding hands, following the path into the woods. It was a nice sunny day, the birds were singing, the bees were buzzing, my pussy was eager for cock and Carl’s prick was aching to come. We didn’t get far as he pulled me behind this huge bush and wrapped his arms around me, pushing his tongue into my mouth and cupping my bumcheeks in his hand.

His tongue felt large in my mouth and I hoped his cock would fill my pussy as much. I was hungry for him and I pushed my spunk flavoured tongue against his. Carl ran his large hands up the backs of my thighs and parted my cheeks, my panties were so moist that my juices had run right round the back and as he pulled my buttocks apart I felt the warmth of my own goo trickle into my crease. His fingers followed quickly behind, one hand made a beeline for my ring while the other went straight for my snatch. He stooped for better access and slid a finger into both holes at the same time. I couldn’t help but let a yelp of shock and pleasure escape. I was seriously turned-on now, getting finger fucked in both holes in the park, with all my clothes still on, in the middle of the day, by my first ever boyfriend – a man I’d never stopped having the hots for, who seemed to have learned how to turn a girl on since we’d last fucked was definitely doing it for me!

I pulled my vest off and struggled to undo my bra as Carl’s warm, hungry mouth toured round my neck and chest. When I had freed my breasts I guided him to one and then the other, shivering with the sensations that his eager tongue was producing within me.

“I’ve learned quite a few things since we last met,” he said, pausing for a moment and pulling his fingers from me.

“So have I,” I replied, undoing his trousers and pulling them down with me.

I knelt in front of him then and looked at his cock for a moment, holding it in my hand and slowly wanking him off. His precome glinted in the sun’s rays and a little thought popped into my head. I gently surrounded his bell-end with my lips and tentatively licked around his cock. Then, when I pulled my face away, a string of semen stretched from his prick to my mouth and glistened in the light.

“Oh fuck,” gasped Carl and I smiled to myself. But that was enough of tasting his salty meat, it was time for him to go down on me. When we had been together, he had never even tasted my pussy juice, not even from his own fingers.

“Eat me out?” I asked, still kneeling in front of him and wanking him off, looking up at him and doing my best ‘total slut’ impression. Then I let go of his cock and he dropped to his knees. I pulled my knickers off and straddled his face, holding onto the nearest tree for balance.

> “HOLDING ONTO MY HIPS, HE SLIPPED HIS LENGTH INSIDE MY PUSSY AND BEGAN TO FUCK ME.”

He licked me from my clit right the way round to my arse and then he plunged his tongue deep inside me, smearing my juices all over his face. His tonguing soon got the better of me and I couldn’t stay standing up like this for much longer. I had to bend forward and push hard against the tree, inadvertently pushing my arse out and my pussy away from his attentions.

Carl took this as his cue to stop eating me and start fucking me. He stood up and ran his helmet over my ringpiece and down, stroking it against my snatch. Then, holding onto my hips, he slipped his length inside my pussy and began to fuck me slow and hard.

I gripped onto the tree tightly and called for him to fuck me faster, which he did, driving me into the coarse bark with every stroke. I could feel myself on the verge of coming and involuntarily bit my lower lip and dug my nails into the tree’s bark. With my nails stuck in a tree, its lower twigs scratching my shoulders and God knows what plants tickling my ankles, Carl pumped his cock into me furiously, and I came hard, biting down on my lip in an effort to suppress my cries.

Once I’d come, it was all I could do to stop myself from collapsing in a heap as Carl continued to fuck me.

With one final push, he pulled out and shot a hot wad of come right onto my arsehole, causing me to tighten and suck just a little bit up me. Carl rubbed his come into my arsehole and got me so turned-on again that I wouldn’t let him leave until he had screwed me again. It was truly one of the best fucks I have ever had and I still get wet today just thinking about it.

# MAYFAIR MOVIES

Be on your guard – something wicked this way comes! Still, it's not just Necronomicon-inspired shagging, with plenty of relief to be had elsewhere this month…

DIGITAL PLAYGROUND
THE SUMMONING

**DIGITAL PLAYGROUND PRESENTS** ●●●●○

## THE SUMMONING

★★★ EDITORS PICK

CAST
**ABIGAIL MAC**
**ROMI RAIN**
**GINA VALENTINA**

Everybody's got a soft spot for the old *Evil Dead* films, haven't they? So this sparsely cast but nicely produced flick from Digital Playground sort of takes the whole *Evil Dead* vibe and gives it a porno twist. Abigail and Seth Gamble rock up at a remote shack with the intention of sacrificing their chum Gina to summon up some evil spirits! This they set about doing with a shag in a pentagram, with the quality of the shag clearly being good enough to compensate for the artificial candles to do the trick! Abigail's stiff nips clearly indicate she's getting off on it, and Seth looks pretty chuffed as well. Sure enough, the pair summon up not one but two evil spirits, or at least a couple more porn stars (Romi Rain and Xander Corvus with little horns on their heads), who are so nasty they'll fuck anything that moves in their bid to achieve immortality! Well, I won't spoil the spine-chilling ending, but the foursome that leads up to it is pretty bang on, but I think it's safe to say you won't end up having nightmares…

MAIDS ON DUTY

**PRIVATE PRESENTS** ●●●○○

## MAIDS ON DUTY

CAST
**KAISA NORD**
**MIA LINZ**
**ALICE WAYNE**
**RENATA FOX**

This one gets off to a rum start, with Kaisa getting ready to celebrate her birthday with a trestle table full of goodies. We don't get to see the party, but the next morning she wakes, perfectly refreshed, and dons a skimpy maid's outfit – much to the delight of her 'husband'. There's actually very little clearing up to be done, so instead, she flashes her hubby her bum and the pair of them do their best to ignore the (minuscule) mess and shag by the sofa instead. It's a nicely shot coupling that ends with a satisfying pop over the pussy. Renata, meanwhile, takes time out from sunbathing in the rain to shag the pool-cleaning guy (!), throwing in some spirited anal fun to compensate for the jaded plot-line. The pool cleaner reappears as a writer in scene three, grappling with busty maid Alice, before dirty blonde Mia ups the ante with a double dicking in the closer.

WICKED MASTERPIECE
DIVINE

**WICKED PICTURES PRESENT** ●●●●○

## DIVINE

CAST
**JESSICA DRAKE**
**AVI LOVE**
**HONEY GOLD**
**JESSIE LEE**
**VICKI CHASE**
**CHANEL SANTINI**

From the name and packaging you'd be forgiven for thinking there was a bit of a plot going on here, but in fact it's simply a series of six vignettes directed by Brad Amrstrong, featuring some of the hottest talent on the Wicked Pictures' books. Screen legend Jessica Drake crops up in no fewer than four of them, cutting straight to the chase in the opened with a double dicking from a couple of suited and heavily tattooed studs next to a snazzy sports car. She's a dab hand at this sort of thing, and still looks perfectly composed as the pair deliver a double dose of spuff. Pert Avi Love's dolled up in bridal gear for a romantic but nevertheless full on coupling next and then it's back to Jessica, putting on a bit of a show in a cab for her grateful fare. It's a masqued orgy for Honey, Vicki and Jessie next, before a cracking pairing of Jessica and Sean Michaels leads her to a trans knobbing from cute dicked-chick Chanel.

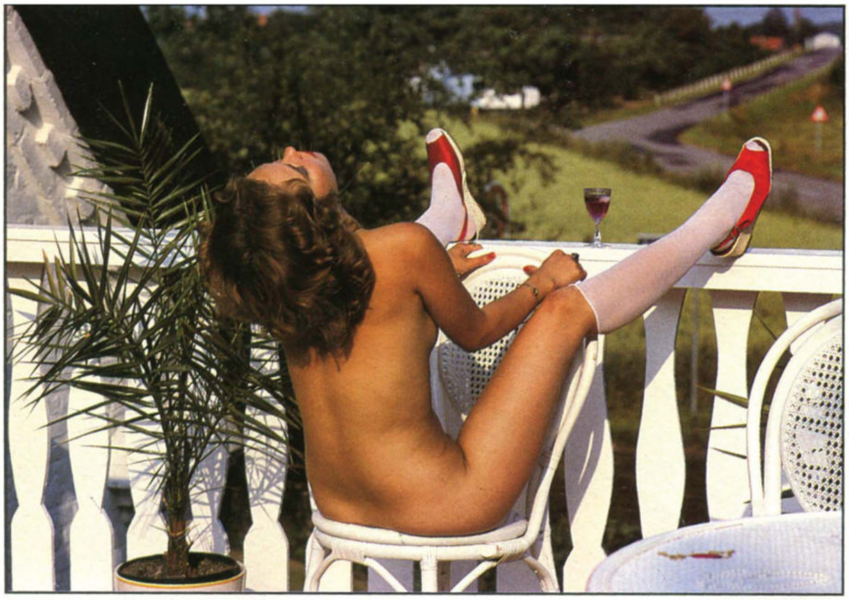
# TINA

PHOTOGRAPHED BY ALLAN SASS

As one of the best English summers f years reaches an end, there's one la who will be glad to see the back of it - 18-year-old student Tina Morgan. Thi shapely 32-22-34 inch brunette from Chester spent her holiday fruit pickin 'I thought I'd go on a working tour of Kent. I don't mind the sun as you ca see, but when you're bent double ov a raspberry bush, it's no fun, not whe you keep losing your basket,' she say

# Classic MAYFAIR

A full 30 years ago trim Tina here was wowing *Mayfair* readers with her ice cream and binocular antics. But did people really still go on fruit picking holidays as late as 1989? No doubt they would have done if there was a chance they'd end up plucking Tina as well as a few raspberries! M



Bending over a raspberry bush has other disadvantages, too. 'I don't kno what was the bigger problem — my sunburnt bottom or the attention of the locals. Especially as, at first, I used to slip my knickers off if it got really hot. I soon learnt my lesson there. The people I was working for weren't too happy — production among the male fruit pickers dropped to an all time low I also got tired of comments like: 'That looks like a ripe juicy one, ready for plucking.' At least I think they said that.'

On Sale February 19th

**Well thank goodness December's all over and done with, eh? Quite aside from all that credit-card busting Christmas stuff, we had the election as well, which is more than enough for one month in anyone's books! And now, in the spirit of conciliation that has now doubtless washed over the land, it's time to let bygones be bygones and move forward together into the sunlit uplands of, well, volume 55 of *Mayfair*, of course! But unlike all those politicians who promised us how wonderful the future was going to be, we reckon we've got a pretty good chance of delivering!**
